GitHub: github.com/Salamaalsuwaidi2005

PROFILE

Computer Science student at the American University of Sharjah with interests in software engineering, artificial intelligence, and community engagement. Experienced in developing software and AI projects while collaborating on academic and extracurricular initiatives. Strong communication, teamwork, and problem-solving skills with a passion for contributing to student activities and organizing successful events.

EDUCATION

American University of Sharjah

Bachelor of Science in Computer Science

Expected Graduation: 2027

TECHNICAL SKILLS

Languages: Python, Java, C, JavaScript, HTML, CSS, SQL, x86 Assembly

Frameworks: Bootstrap, PyTorch, OpenCV

Tools: Git, GitHub, MATLAB, Simulink, Visual Studio, VS Code

LEADERSHIP & ACTIVITIES

TEDx Youth Dubai – Photographer & Event Support

- Assisted with event operations and volunteer coordination.
- Captured event photography and supported media activities.
- Worked collaboratively with volunteers to ensure smooth event execution.

Model United Nations – Human Rights Council Delegate

- Collaborated with delegates to negotiate and draft resolutions.
- Participated in policy discussions and committee debates.
- Strengthened communication, leadership, and teamwork skills.

PROJECTS

Receipt Information Extraction using MinerU2.5

- Reproduced and evaluated MinerU2.5 on the SROIE receipt dataset.
- Compared zero-shot MinerU2.5 with LayoutLMv3 and analyzed extraction performance.
- Conducted augmentation experiments and error analysis using PyTorch.

Lost & Found Web Application

- Developed a full-stack web application using Java Servlets, SQL, HTML, CSS, JavaScript, and Bootstrap.

- Implemented search, filtering, responsive design, and secure database access.

Front-End Web Development Projects

- Built responsive websites with a focus on usability and accessibility.

CERTIFICATIONS

MATLAB Certified Associate • MATLAB Programming • MATLAB Machine Learning • MATLAB Deep Learning • Google Digital Garage – Fundamentals of Digital Marketing • Ethics in the Age of Generative AI • Electronics Engineer Programme – Heriot-Watt University • Electric Vehicles Workshop – American University of Sharjah • A Step Towards Sustainability
